Dear Parish Musicians

MUSIC DAY - POSTPONED

Unfortunately, due to some unexpected difficulties, we are needing to postpone the music workshop arranged for Saturday 21 April at Our Lady of Mount Carmel's Church, Onthank, Kilmarnock.

We will let you know the new date (probably September) in due course.

I hope this does not cause you too much inconvenience. If you could take down the church poster, and avoid the bulletin notice being published - it would help!

Meanwhile should anyone send in a booking form we will of course be in contact with them directly to say that the day is postponed.

We hope to see you in the autumn.

With best wishes

Michael, Owen and Nicola - Committee of Galloway Music Network
